An Alvord woman was killed Saturday night in a one-vehicle accident on

Farm Road 51 south of Springtown in Parker County.

Haley Brumley, 22, died at the scene.

Brumley was traveling northbound

on FM 51 in a 2005 Dodge Ram truck shortly after 10 p.m. Near Veal Station, she lost control of the vehicle and entered a side skid. The truck overturned multiple times. Brumley

was partially ejected.

Department of Public Safety spokesman Ricky Hunter said a wet roadway and speed were contributing factors to the accident.
