One person was killed in a single-vehicle wreck on a county road northwest of Paradise Wednesday afternoon.

Texas Department of Public Safety spokesman Sgt. Ricky Hunter said a 2001 Buick LeS-

abre was northbound on County Road 3241 around 5:30 p.m. when the driver failed to negotiate a 90-degree curve in the road onto County Road 3332 to the west.

"The car traveled straight through the 90-degree curve and struck a power pole on the left side of the vehi-

cle," Hunter said.

The driver and only occupant of the vehicle, later identified as Miranda Leone Wiley, 25, of Boyd, was pronounced dead at the scene by a local justice of the peace.

Hunter said Wiley was not wearing a seat belt.
