A Chico resident died after her vehicle left the road and collided with a culvert and a utility pole in Paradise Thursday afternoon.

At around 1 p.m. Judy Ann Wainscott, 65, of Chico was traveling west in a 2017 Dodge Caravan on Texas 114 near Farm Road 3259 when the vehicle left the roadway, said Department of Public Safety spokesperson Ricky Hunter.

After striking the culvert and utility pole, the vehicle came to a stop.

The Dodge Caravan was the only vehicle involved in the wreck.

Wainscott was transported to Medical City hospital in Denton, but succumbed to her injuries and died, Hunter said.
