On Sunday, Oct. 8, 2023, our precious Raegan lost her battle with opioid addiction in a suspected Fentanyl overdose. We fought alongside her in this war for several years. The disease of addiction is a powerful and cruel force. She was a much loved daughter, granddaughter, sister, aunt, niece, and cousin. Her passing has ripped the hearts of the many family and friends who loved her beyond measure. She was a smart, talented and beautiful young lady with an awesome personality and great sense of humor. She was a true artist and walked to the beat of her own drum.

Raegan was a force to be reckoned with when she set her mind to something. Prior to her addiction she had a love for music which led her to play the guitar and sing. When she was 15 and 16 years old she and a group of amazing friends (Cam, Joy, Will, etc.) wrote, produced, and re-corded an album as the band Drown Soda. Raegan was a brave soul who battled her demons every day.

She was a mother and leaves behind a four-year-old daughter, Percy Bean Furman. Among the shocked and heart-broken left to make sense of her passing is her mother, Christi Gachter-Plitt, of Boyd; her father and step-mother, Evan and Shelly Sanchez, of Flower Mound; her grandparents, Phil and Sandra Gachter, of Azle; Larry and Janice Sanchez, of Albuquerque, New Mexico; her siblings Jack-son and Kennedy Sanchez, of Flower Mound; her best friends Donna Bombonati, Skylin Lowe and Bethany Freeby; L.J. Padron, and a host of aunts, uncles, cousins and nieces.

She is preceded in death by her great-grandparents, Charles and Marjorie Ogden, Clyde and Wanda Gachter; her uncles, Raymond Peppers and Michael Derden; her aunt, Robin Mayfield; and her cat, Asher.

May you rest easy now, my Little.. Your battle is over. You continue to live on in all our hearts.
