Mehran Aghili

Mehran Aghili, 56, of Aurora died Friday, June 26, in a Fort Worth hospital.

Memorial service is 5 to 7 p.m. Sunday, July 12, at the Vernon Solomon Performing Arts Center at Northwest High School.

Mehran was executive director of construction for Northwest ISD and guided the district through a period of growth as he managed more than \$800 million in bond programs during his career. He also oversaw the construction of 14 new campuses for NISD, including the latest, V.R. Eaton High School.

During his 14 years with NISD, he served on numerous committees volunteering countless hours of his personal time to ensure the needs of students and staff were met on time. Mehran's caring and dedicated manner reached well beyond the boundaries of the district campuses as he created long-lasting and trusting relationships with mayors, city officials and community members from many of the Northwest ISD cities and townships.

Mehran is survived by his wife, Rosa; and daughter, Leila.

Memorial donations may be made to a charity of choice or to the Crystal Leila Aghili College Fund, Wells Fargo account 2158485827.
